Shalom Bayit seeks to empower Jewish women to lead strong, healthy lives through preventing and healing from abuse. We offer support groups in San Francisco, the Peninsula and East Bay.

Bay Area Jewish Healing Center is dedicated to providing Jewish spiritual care to those living with illness, to those caring for the ill, and to the bereaved through direct service, education and training.

Back by popular demand, we offer this healing service to all women wishing to find healing in their lives in a Jewish context.
